

## Memorandum of Understanding

*Between*

**International IT Policy Program (ITPP)  
Seoul National University**

*And*

**State Polytechnic of Ujung Pandang  
Politeknik Negeri Ujung Pandang**

Hereby conclude this Memorandum of Understanding to promote knowledge and information sharing between the International IT Policy Program (ITPP) and the Center for Applied ICT Research (CAIR) within the State Polytechnic of Ujung Pandang, particularly in the area of Information and Communication Technologies.

Upon the principles of equity, the two institutions make efforts to developing mutual cooperation in the following areas:

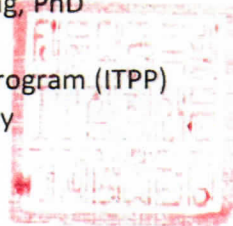

1. Knowledge and Information sharing via Online Video Conference
2. Research collaboration
3. Exchange and visiting research scholars
4. Sharing academic materials, publications and information

The agreement may be renewed for a period of 3 (three) years by amendment and is executed in two (2) original copies.

Seoul, 9 January, 2015

Makassar, 9 January, 2015
